The Kenco Bin Block Lifter's unique design fits perfectly over the keyway systems molded into precast blocks known as waste block, ecology block, or bin block. The cutaway portion straddles over the keyway allowing it to rest flat on the precast block.

### Fully-Automatic Actuator

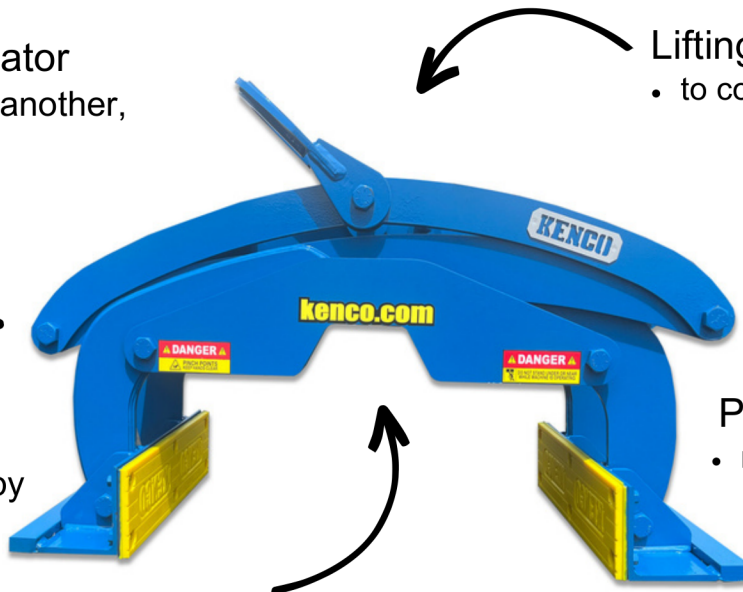

- perform one pick after another, with zero hydraulics

### Lifting Plate

- to connect shackle and rigging

### Integrated Handles

- for safe maneuvering by ground guide

### Pivoting Pad Angles

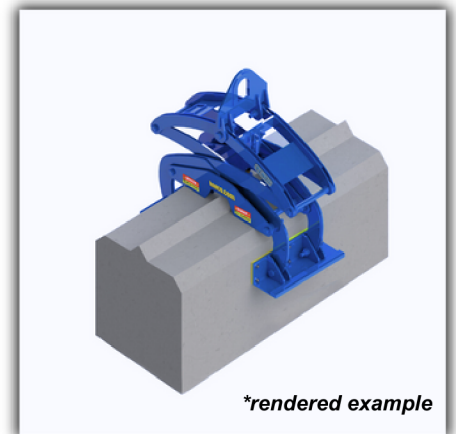

- rotate to match slope of wall

### Keyway Opening

- allows lift to rest flat over the keyway, onto the block

### Exclusive Elastomer Pads

- won't slip, even when wet
- provide wear and abrasion resistance
- full surface contact without scratching wall
- superior gripping ability

## Specifications **SKU: BLK6K24T30**

**Capacity Rating:** 6000 lbs  
**Grip Range:** 24" - 30"

**Pad Size:** 6" x 24"  
**Actuator:** Medium

**Lifter Weight:** 650 lbs  
**Shipping Dimensions:** 52" x 24" x 38"

**Recommended Rigging**  
 KRM16800 Rigmax™
