The Kenco Barrier Lift provides for easy, safe, and efficient placement of concrete barriers. It is the strongest, most-trusted barrier picker in the industry and the number one choice of every major contractor and governmental agency.

Fully-Automatic Actuator
- perform one pick after another, with zero hydraulics

Lifting Plate
- to connect shackle and rigging

Integrated Handles
- for safe maneuvering by ground guide

Exclusive Elastomer Pads
- won't slip, even when wet
- provide wear and abrasion resistance
- full surface contact without scratching wall
- superior gripping ability

Pivoting Pad Angles
- rotate to match slope of the wall
